10:47:20 From lotus justice : LMAO

10:47:20 From VIOLET : HA

10:47:29 From terrycole-whittaker : "They" whomever "They" are set up the system so that we abuse and destroy ourselves. "They" offer but we do not need to agree or accept especially, you cannot die as you are eternity. "They" control humans through the fear of death. this is why i work at being fully centered in Self and nature. get ready for when you leave the 3D concept what will you do, where will you go, etc. all is your responsibility as no one cares more for you.

architecture was beautiful... massive... and the ruins are still
visible all over the planet in the huge rock formations, mounds,

This program, tonight, is a case in point.

11:39:37 From Amber Moksha : <http://thewashitawmoors.blogspot.com/>

11:39:52 From terrycole-whittaker : this reset to be is what astrology, and psychic, stuff and deja vu, is all about as this has been done over and over and we must have been following this script.
